

A DOLLAR A CAR . . . or at least such was the case for Mrs. Nellie Weatherford, 25388 Walnut street, Lomita, whose 1921 silver dollar purchased the 1937 Ford offered by Schultz and Peckman, Ford dealers, 1420 Cabrillo avenue, in celebration of their 30th Anniversary of business in Torrance. With 928 1921 silver dollars registered to purchase the car, the one of Mrs. Weatherford proved to be the lucky dollar last Saturday night at 6 p.m. when she won the car. ### All Star Talent Featured At Purple Heart Benefit

The All-Star Professional Vaudeville show sponsored by the Military Order of the Purple Heart County Council, featuring top entertainment from stage, screen and T.V. is set for the Redondo Beach Union High School auditorium stage Saturday night, September 22, according to Hollywood Producer Jonathan Osman, producer of the veteran sponsored show "Hollywood Varieties of 1951."

Opening the gala stage show will be comedian Charlie Cirillo, of the famed Cirillo Brothers, Orpheum circuit headliners. This well-known entertainer holds the record of having appeared in every Bob Hope film that has been made.

Crystal White, the beautiful, exotic dancer now under contract to Universal Films and who appeared in Ken Murray's "Blackouts" for three consecutive years, will be next on the program. She will be followed by Ross Clark, well-known night club entertainer, who will present his surprise fun-crowded act, "Stars on Strings."

**HUMOROUS**  
Hank Bussey, humorist and top flight juggler, also of Orpheum Circuit fame will be in fourth place on the star-studded variety show. Frank and Dolores Evers,

sensational tight rope act, who just returned from London where they appeared with Danny Kaye at London's Palladium, will have top billing on the Redondo Beach show. They will be followed by Aubrey & Co. The finest magician on the west coast, featuring "Illusions Supreme."

Adrian Mayer, County Commander of the Military Order of the Purple Heart urges everyone to attend this worthy benefit, funds of which will be used for the rehabilitation of Purple Heart veterans and to establish a chapter of the order in the South Bay area.

Until a world convention on international traffic was signed by the United Nations in 1949, American tourists taking automobiles abroad had to register them as vehicles of a foreign country. Now home-state license plates are valid across much of Europe.
